

GARAGE DOORS

LX-9000 SERIES

LIFETIME LIMITED WARRANTY

If your LX-9000 door sections rust through because of the factory-applied paint finish cracking, checking or peeling, Amarr will repair or replace those sections for as long as the original purchaser owns the door. Chips or scratches in the paint which result in cosmetic or surface corrosion are not covered in this warranty.

If any section, part or hardware, excluding glass, frames and inserts, is defective in material or workmanship, Amarr will repair or replace it for three (3) years from the date of purchase. This warranty is for single family residential installations of complete Amarr Garage Doors (sections and hardware). They do not apply to commercial, industrial or non-residential uses. For residential condominium or similar multi-family housing the rust through warranty will extend for a period of ten (10) years from the date of purchase to the original purchaser.

This warranty extends to United States installations only and to normal usage, when the door has been installed and maintained in accordance with the manufacturer's instructions. The above warranty does not apply to any damage or deterioration caused by abuse or misuse, failure to provide reasonable and necessary maintenance, improper installation or handling, acts of God, fire, hail, flood, failure of paint applied after manufacture and distribution, alterations and/or additions of overlays of any material to door, or atmospheric conditions, including, but not limited to: (1) areas subject to excessive salt atmospheres, (2) areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, animal waste, or foreign substances, and (3) areas subject to water runoff, or runoff from lead, copper or galvanic metal flashing.

We recommend you wash your Amarr door (just as you wash your car) to help protect the finish at least one (1) time per year, more frequently in in salt-air climates, with a mild solution of five (5) gallons of warm water and one (1) cup of a common household detergent, such as Tide®.

This door is pre-painted with a factory-applied finish that is suitable to be repainted with a wide variety of 100% acrylic exterior grade latex paints, when applied in accordance with the paint manufacturer's recommendations. Do not use oil based paint. However, no warranty of compatibility is made or implied by Amarr. Painting pre-painted steel doors voids the paint finish warranty.

If within the applicable warranty period, the LX-9000 door sections or hardware are found to be defective upon inspection by authorized Amarr personnel, Amarr will repair, repaint, or replace, at Amarr's option, the defective door sections or hardware. Proof of purchase is required. Any charges for freight, removal, installation, or labor shall be the responsibility of the original purchaser. **REPAIR OR REPLACEMENT OF SPECIFIED PARTS IS THE SOLE REMEDY OFFERED BY THIS WARRANTY. IN NO EVENT SHALL AMARR BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES CAUSED BY OR RESULTING FROM DEFECTIVE GARAGE DOOR SECTIONS OR HARDWARE.**

Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state or province to province. To make a claim under this warranty contact us immediately, in writing, at the following address:
